OCP - Online Courseware for Programming 2

**Supervisor**: Dr. Tommi Junnila / Prof. Petteri Kaski

**Contact information**: By email: tommi.junttila@aalto.fi, petteri.kaski@aalto.fi

**Job description**: The Scala programming language (http://www.scala-lang.org/) is the language of choice in freshman programming courses CSE-A1110 and ICS-A1120 at Aalto SCI. This summer project will contribute to development of online courseware (programming exercises and their automatic grading systems) for ICS-A1120 Programming 2. If you have excellent programming skills, already know or would like to learn Scala, and love solving/designing programming puzzles, this is a project for you.
